

WRITE AN ACROSTIC POEM FOR EARTH DAY!

Celebrate National Poetry Month and Earth Day (April 22nd) by coming up with your own acrostic poem!

WHAT YOU'LL NEED:

- Paper
- Pen or pencil
- Other art supplies, if you want to add some decoration to your poem

HOW TO DO IT:

1. An acrostic poem uses the letters in a word to start each line of the poem. All the lines in the poem are connected to or describe the word that is used to begin each line.
2. For your Earth Day acrostic, you can use "Earth Day", "Earth", or any other word you can think of that reminds you of this cool planet that we live on. From there you can write your Earth Day inspired poem. Here is an example to get you started:

Everyone
Acting together can
Recycle and conserve
To take care of our
Home, the planet Earth!

Do your part to protect
Animals and plants and
You and me!
