## What You'll Need:

Acrylic craft paint in multiple colors  
Black acrylic craft paint  
2 wiggle eyes for each ladybug  
Black permanent marker

## How to Make it:

1. Completely wash and dry all your rocks.
2. Paint your rocks in your favorite colors, then allow them to dry.  
Apply second and third coats if needed. Lighter colors might need a few coats.
3. Paint head on using black acrylic craft paint. Make it any shape you want!
4. Use a black permanent marker to draw a straight line down the center of the rock.
5. Dip the end of a large paint brush, or the eraser of a pencil, in black craft paint.  
Dot on the spots, reloading with paint after every dot. Let dry completely.
6. Using white craft glue, attach wiggle eyes and let dry.
